Bio

Zélie est une jeune tatoueuse bretonne, spécialisée dans les motifs floraux. Elle a vécu à la campagne et depuis toujours, elle dessine la nature qui l'entoure.

Passionnée par le tatouage, c'est tout naturellement qu'elle a troqué le papier pour la peau. Elle est attentive à l'éthique écologique et fait attention aux consommables qu'elle utilise. Ses études dans le social lui ont transmis le respect de l'autre et sa sensibilisation au féminisme.

Son parcours lui permet d'être à l'écoute, de mettre ses clients à l'aise, ils passent ainsi un moment agréable et en toute confiance.
